By this Application, Stikeman seeks allowance of compensation for actual and necessary professional services in excess of the Tier 1 OCP Cap in the amount of CAD\$102,716.50 or \$81,702.60 during the period of September 1, 2021 through November 30, 2021 (the “**Fee Period**”).

Jurisdiction

1. The United States Bankruptcy Court for the Southern District of New York (the “**Court**”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

3. On September 1, 2019 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors-in-possession pursuant to sections

1107(a) and 1108 of the Bankruptcy Code. On September 18, 2019, the Court entered an order [ECF No. 59] authorizing the joint administration and procedural consolidation of the Debtors' chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No entity has requested the appointment of a trustee or examiner in these chapter 11 cases. On September 27, 2019, the United States Trustee for the Southern District of New York (the "**U.S. Trustee**") appointed an official committee of unsecured creditors (the "**UCC**") pursuant to section 1102 of the Bankruptcy Code [ECF No. 131].

4. On November 26, 2019, the Court entered the OCP Order. Pursuant to the OCP Order, the retention and employment of a professional listed on the exhibits thereto will be deemed approved without further order of the Court if no objections are filed within 10 days of the filing of an OCP Affidavit and Retention Questionnaire for such professional (the "**Objection Period**"). On December 3, 2019 the *Affidavit and Disclosure Statement of Ashley Taylor, on Behalf of Stikeman Elliott LLP* [ECF No. 573] (the "**Disclosure Statement**") was filed on behalf of Stikeman. No objections to the Disclosure Statement were filed or communicated to counsel within the applicable Objection Period and therefore Stikeman's retention was deemed approved. As described in the Disclosure Statement, the Debtors employ Stikeman to provide legal services in connection with the prosecution of recognition proceedings in the Ontario Supreme Court of Justice (Commercial List) (the "**Canadian Court**") pursuant to the *Companies' Creditors Arrangement Act* (the "**CCAA**") and other actions filed against the Debtors in Canada.

5. Pursuant to the OCP Order, Stikeman was retained as a Tier 1 Ordinary Course Professional. The Debtors are authorized to compensate Tier 1 Ordinary Course Professionals without formal fee applications; *provided, however,* that total fees, excluding costs and

disbursements, in excess \$150,000 per month on average over a rolling three-month period are subject to Court approval in accordance with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Guidelines, the Fee Guidelines and all orders of the Court.

6. Stikeman has complied with the terms of the OCP Order and has invoiced the Debtor directly for all services provided post-petition. However, for the month of November, 2021, payment of Stikeman's fees in full would have caused Stikeman's average fees for the Fee Period to exceed the Tier 1 OCP Cap by an average of CAD\$34,238.83 or \$27,234.20, which required a holdback of CAD\$102,716.50 or \$81,702.60 to comply with the Tier 1 OCP Cap, as shown in the table below.

Period Covered	Fees Incurred	Total Fees Paid	Total Fees Requiring Court Approval
9/1/2021 – 9/30/2021	\$172,025	\$172,025	\$0
10/1/2021 – 10/31/2021	\$156,141	\$156,141	\$0
11/1/2021 – 11/30/2021	\$203,511	\$121,808	\$81,703
TOTAL	\$531,677	\$449,974	\$81,703

7. Pursuant to the OCP Order, fees incurred in excess of the Tier 1 OCP Cap require Court approval. Accordingly, by the Fee Application and in accordance with the OCP Order, Stikeman seeks approval of CAD\$102,716.50 or \$81,702.60 in fees accrued during the Fee Period.

8. Stikeman provided a draft of this Application to the fee examiner appointed in these Chapter 11 Cases and the fee examiner has advised that it does not object to this Application.

Compensation Paid and Its Sources

9. All services during the Fee Period for which compensation is requested by Stikeman were performed for or on behalf of the Debtors. Additionally, during the Fee Period, Stikeman has not received any payment or promises of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Fee Application. A certification confirming Stikeman's compliance with the Fee Guidelines is annexed hereto as **Exhibit A**.

10. These professional services were rendered by Stikeman's partners, counsel, associates and paraprofessionals from its various practice groups, including restructuring and insolvency and litigation.

Summary of Professional Compensation Requested in Excess of the Tier 1 OCP Cap

11. During the Fee Period, Stikeman has been able to efficiently provide necessary services by utilizing the expertise of professionals and paraprofessionals within relevant practice groups to effectively advise the Debtors regarding discrete issues and ensuring that the level of seniority is commensurate with the assignment. Stikeman, in connection with services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services rendered in the total amount of CAD\$102,716.50 or \$81,702.60 for the Fee Period, which total represents the amount incurred in excess of the Tier 1 OCP Cap. Annexed hereto as **Exhibit B** a list of Stikeman Professionals and paraprofessionals, their position with the firm, the department in which the individual practices, the hourly rate charged for their services, the number of hours worked on this matter, and other pertinent information. **Exhibit C** annexed

hereto is a list of the various categories and the total fees and total hours expended by subject matter category. Stikeman maintains computerized, detailed time records of services rendered by its professionals and paraprofessionals. The detailed records for this Fee Period are annexed hereto as **Exhibit E**.

Summary of Services Rendered in Excess of the Tier 1 OCP Cap

12. During the Fee Period, Stikeman provided professional advice and other services, involving seeking recognition of the confirmation order before the Canadian Court pursuant to the CCAA, providing advice on Canadian specific issues related to the plan of reorganization and recognition thereof, and monitoring the various actions in Canada pending against the Debtors. Summaries of significant services described above are detailed below in accordance with Stikeman's internal system of project categories:

Action of the Government of British Columbia

Fees: CAD\$26,637.50, Total Hours: 27.30

- Matters related to the action commenced against the Debtors by the Province of British Columbia. The action is continuing against other co-defendants which are unrelated to the Debtors.

Restructuring Matters

Fees: CAD\$641,786.50, Total Hours: 744.30

- Matters related to the chapter 11 cases and recognition proceedings under the CCAA before the Ontario Superior Court of Justice (Commercial List), including proposed recognition of the confirmation order and plan of reorganization.

Stikeman's Requested Compensation and Reimbursement in Excess of the Tier 1 OCP Cap Should Be Allowed

13. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides

that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered … and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

14. The foregoing professional services were performed by Stikeman in an efficient manner, were necessary and appropriate to the administration of the Chapter 11 Cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. As required by the U.S. Trustee guidelines, annexed hereto as Exhibit D is a chart setting forth the comparative blended rates of the professionals and paraprofessionals who rendered services with a corresponding comparison of rates for professionals and paraprofessionals not involved in these chapter 11 cases.

Notice

15. The Debtors will provide notice of this Application in accordance with the OCP Order. The Debtors submit that no other or further notice be given.

[Remainder of Page Left Blank Intentionally]

WHEREFORE, Stikeman, in connection with services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services rendered in the total amount of CAD\$102,716.50 or \$81,702.60, which represents the amount incurred in excess of the Tier 1 OCP Cap for the Fee Period.
